"He's Flipping a Condo on eBay"

There's a trader who's sure that all real estate is gold, and he's flipping a condo on eBay. When he gets there he knows, the store is never closed, with the right click he can get what he came for, sings Sunnymeach Asset Management.

APOLOGIES TO Led Zeppelin. The below verse is sung to the tune of "Stairway to Heaven."

*There's a trader who's sure
That all real estate is gold
And he's flipping a condo on eBay.
When he gets there he knows
The store is never closed
With the right click he can get what he came for.
Ooh, ooh, and he's flipping a condo on eBay.*

*There's a sign on the wall
But we want to be sure
'cause you know sometimes words have two meanings.
While McMansions are built
You can hear the realtors sing
"Booms make all of our debts be forgiven."
Ooh, it makes me wonder,
Ooh, it makes me wonder.*

*And it's whispered that soon
A correction does loom
But old Alan will lead us to reason.
Yes, a new day will dawn
For those who stayed long
And the forests will echo with laughter.
If there's a hiccup in your portfolio
Don't be alarmed now,
It's just a sprinkling for the Net Queen.*

*Yes, there are two paths you can go by
But in the long run
There's no need to change the road you're on.*

And it makes me wonder.
There's a feeling I get
That the oils need a rest
And my spirit is crying for leaving.
In my thoughts I have seen
Shares of Google grow like trees
As value players stare looking.
Ooh, it makes me wonder,
Ooh, it really makes me wonder.

China is humming and it won't slow
In case you don't know
The broker's urging you to join in.
They follow every way the wind blows
And did you know
Your margin dies on the whispering wind.
And as we wind on down the road
Our shadows taller than our soul.

There walks a Buffett we all know
Who shines white light and wants to show
How value stocks still turn to gold.
And if you listen very hard
Fortune will come to you at last.
When the Fed is done and rates do fall
You'll love your stocks and watch 'em roll.
And we'll be flipping our condos on eBay.

“*Can't find anyone who doesn't like gold and that is scary. However, with helicopter Ben in charge and QE taking hold in Europe, it is hard to think of an alternative store of value. Does anyone have any suggestions?*”
